

**Centennial Plastic Mfg. Inc.**

Date: November 20, 2018

## We are always looking for skilled technical staff

Even if there aren't any present listings on our Employment Opportunities page, we are always on the look at for high calibre technical staff with excellent track records and experience in custom injection molding.

Set up and processing technicians, material handlers, maintenance and millwrights.

If you have specific training and experience in the field of injection molding please send a resume.
